

Hip and refreshing purveyors of the finest self-catering accommodation in North Cornwall, [Beach Retreats](#) asked us to work with their in-house design team to create a mini-mag to show their customers just how downright cool Cornwall really is!

Beach Retreats is sister company to [Watergate Bay Hotel](#) , [Extreme Academy](#) and [Fifteen Cornwall](#) , and their magazine 'Seascape' is aimed at a core audience of 30 to 55-year-olds in the UK and abroad. We helped develop the editorial direction of the quarterly magazine and have been
